Good Morning Attorney Agnew,
Application 10/822,484 is not on my docket yet and I have not looked at the application. I will not have the time to look at the application until it appears on my docket.
The Legal Instruments Examiners are behind in putting amendments on the Examiner's dockets.
I do not know how long it will take before the application is on my docket or which LIE has to application for posting to my docket. The applications go to a pool of LIE's to be put on an Examiner's amendment docket.
